

Fundraising Opportunity School Leadership Groups to Partner with Haunted High

High School or College Leadership Group (i.e. student council, Greek life council, etc.) designates one night as “their school night” (e.g. Arrowhead High School night, Carroll College Night) at Haunted High (HH). They promote/encourage fellow students to go to HH that night. For every person who shows their ID from that school that night, the leadership group receives \$2. For example, if the AHS Student Council partners with HH for Oct. 24 and 200 AHS students go to HH that night, AHS SC gets \$400.

How to Promote HH:

- HH will provide you with 20 or more posters to put up at school/on campus. Circle and note your school’s designated night!
- HH will provide digital artwork that the school leadership group can customize or adapt to personalize for their school.
- Send emails with the HH website and a special message to the student body.
- Spread the Facebook page of Haunted House. Your school’s night will be posted on it, but you can add your own messages and postings.

How HH Gives You the Money:

- Each night, signs will be posted at Admissions to Haunted High indicating what schools’ are featured that night.
- Customers will be asked to show their school ID.
- For each school ID, a marker will be placed in special receptacle.
- At the end of the night, markers will be counted.
- Within one week, you will receive \$2 for each marker.

More people from your school at Haunted High = more money for your group!

To Participate, please email contact@hauntedhigh.info with the following information:

Name of Leadership Group

Number of Active members in the group:

Name of School

Number of students at the school/college:

Name of Advisor/President

Email address:

Phone number

First choice night:

Second choice night:

Any other ideas? Email!

You will be contacted within 48 hours with confirmation and further details.
