

## **What's Involved with Being a Scary Actor at Haunted High?**

When you commit to work a night at Haunted High as a Spook, here's what you do:

- Arrive and check in at Volunteer Headquarters no later than 6:00 if you need to do costumes and make-up after arriving; no later than 6:20 if you are coming costumed and ready.
- You will be staying until the last customer goes through your section of the school; this could be around midnight.
- You must bring, or already have on file, a waiver signed by you and a parent (if you are under age 18).
- Wear a very scary costume, preferably with some "hint" of a school character to it, (e.g. dracula with a football jersey; a "bloody" mask with pom poms). Be sure your costume is not hot (wear shorts under it!) and that you are able to move easily in it and that you can see and hear well through any mask or headpiece.
  - o We will have some costumes, accessories and make up (lots of fake blood!) available for those who need it.
  - o In a few cases, you will be "cast" to wear a specific costume.
- You will be given a "part" and a "station". Your part will be described but in most cases you will be able to improvise – a lot! (A few parts, i.e. "Principal Terror" or "Dots" may have specific movements or script).
- There will be a meeting of all Spooks at 6:30.
- You will have a Spook Leader. You are to respond to his/her directions all night.

What You Get:

- Water bottles available in Volunteer break room; in most cases they can be taken to your station also.
- Food and snacks provided in Volunteer break room; in some cases this may be taken to your station.
- Spook (Volunteer) ID card and lanyard (must wear)
- Discount coupon (\$5 off) to come to HH anytime you're not on staff
- Service hours if part of a club that expects service hours (check with advisor)
- The appreciation of OPEF and teachers for helping with this fundraiser
- Lots of crazy fun and memories of this Halloween season
- The most fun "job" you'll ever have!

Please continue to check the Haunted High website for the latest announcements.
